Decline in Stocks-Railroads Tightening Purses MISSOURI FRIENDS

LOCAL SECURITIES **WERE RATHER SLOW** WITH GAS LOWER

Clearly the feature of the local market was the excellent bidding for Graphophone common and preferred, and the absence of any stock for sale. At one time these shares were in high favor, but of late they have been weak and uninteresting. The last quotation was 25, today it was bid up to 49 without bringing out any atock. The preferred was likewise boosted from 60 to 80, without bringing out stock.

It is reported that the company is being rapidly rehabilitated and is doing a spiendid business. The bidder was a bank official.

Another feature was the first record

a bank official.

Another feature was the first record
of the stock and bonds of the District
haper Company, which has \$300,000 stock
and \$200,000 5 per cent bonds. Sales were
reported at 132½ for the stock.

There wasn't any special activity in anything on the total Exchange. What few sales were made did not show any

display of strength nor yet much weak ness.

Because of the investigation by the House committee of the gas company this stock was weak, being offered at 85% and one sale was made at 85%.

Railway common, 92@92% and the preferred 94%.

The annual meeting of the German American Insurance Company resulted in the election of E. G. Shafer, J. A. Maedel, E. L. Schmidt, O. L. Wolfsteiner, Francis A. Blundon, Charles A. Schmidt, N. E. Edmanston, C. B. Pearson and H. E. Gasch as directors. The directors then elected officers as follows: President, W. G. Schafer; Vice President Charles Schafer; Treasurer, J. A. Maedel; Secretary, H. It is admitted underlying conditions generally are favorable to continued prosperity and higher prices, referring to crops, industrial prosperity, etc. But the purse strings of the railroads have been pulled tight again, just as they were opening for heavy expenditures. They are plainly disturbed over the political situation, as they would not have been with Mr. Roosevelt or even a compromise candidate been named with the unqualifiel indorse-

ment of the Chicago convention. Wall Street doesn't like a Democrat.c President, with the investigations, promised trust legislation, platform planks and the party record.

Moreover, there art unmistakable signs of unrest among workers in steel, urged on and incited by labor leaders whose avocation does not thrive in seasons of unity between capital and labor and who must make a showing occa-sionally to retain their hold on the

'Houn' Dawg" Special Brings Home Folks To the Capital.

Speaker Champ Clark was greeted with fervent loyalty yesterday by 1,000 of the pround "home folks," a big delegation of Missouri "Boosters" spent the day in Washington before proceeding to the Democratic national convention at Baltimore. They came east on the "Houn' Dawg" special, headed by former Gov. David R. Francis, and were so filled with enthuslasm that it was fairly running over. An informal reception in honor of the Speaker was held at the Continental Hotel, and a glowing tribute was given him by Mr. Franics. Mr. Clark was told that the delegation intended to collect "houn" dawgs" in the Baltimore market and make a demonstration unique in the history of national conventions. ventions.

Speaker Clark's Reply.

"No man ever entered such a contest as this," said the Speaker, "and picked up as many delegates with such a small amount of money as we have in this campaign.

"If I have had any influence in the campaign, it is because I have labored successfully to get the Democrats in the House of Representatives together. When I was elected minority leader the Democrats were weak and quarrelsome.

SPECIAL NOTICES

THE VACUUM TREATMENT

AS A CURATIVE AGENT, POSSESSES

All the merits of Massage, Osteopathy, Cri-ropractics, Sweedish Movement, Electricity, and all other mechanical means of enforcing circulation as a remedial agent. It has the enhanced value of determining the quantity of blood and other fluids of the body, to or from any point, at the will of the operator. While possessing all of these advantages, it detracts nothing from the merits of other systems of healing, but on the contrary it enables the Physician to obtain more prompt results through the increased circulation. While its prompt action is plainly evident in all acute silments, such as Pneumonta. Plurisy, Meningitis, Lumbago, acute Rheumatism and all Nervous Disorders, its great value is in the treatment of such chronic MALADIES as LOCOMOTOR - ATAXIA, RHEUMATISM, CONSUMPTION, ASTHMA. INSOMNIA, TUBERCULOSIS, CANCER, PROGRESSIVE MUSCULAR ATROPHY, all forms of PARALYSIS and DISEASES of the SPINAL CORD AND COLUMN, CURVATURE OF THE SPINE, BRIGHT'S DISEASE, HEART DISEASE, ARTERIO SCLEROSIS, VERTIGO, HARDENING OF THE ARTERIES, &C., MYELITIS, DIABETES, THE INCURABLE (so-called) All-MENTS, and all DISEASES which are the result of ORGANIC OR STRUCTURAL CHANGES and DEFICIENT BLOOD and FLUID SUPPLY.

That the above claims are true is amply proven by the Near MIRACULOUS CURES of LOCOMOTOR-ATAXIA, INFANTILE and other PARALYSIS, ARTERIO-SCLEROSIS, HARDENING of the ARTERIES, HEART DISEASE, ETC., BRIGHT'S DISEASE, NEURITIS, NEURALGIA, RHEUMATISM. The DESPERATE DISEASES of the NERV-OUS, DIGESTIVE, RESPIRATORY (the lungs and throat) and the URINARY organs effected by this-THE VACUUM TREATMENT—COMMON-SENSE and RATIONAL METHOD OF CURE. Particulars will be found in my large bookiet, a copy should be in the hands of every invalid. It is free, and can be had at office or will be mailed to any address. of blood and other fluids of the body, to or from any point, at the will of the operator.

CAUTION!

The numerous PREMATURE DEATHS fol-lowing SURGICAL OPERATIONS (They sel-dom paliate, much less cure) leaves the ad-visability of resorting to them an OPEN QUESTION, which should be carefully con-QUESTION, which should be carefully considered before it is too late. Frequently the FEE seems to be the most important factor dealt with, and is more often the grst considered. There is a better and safer way. A standing joke at meeting of medical Societies: "Why don't a Negro and Poor People have Appendicitis?" Answer: "They haven't got the FEE!" Moral: The all important—the FEE. Without the FEE you won't have appendicitis.

THE VACUUM TREATMENT is a NONMEDICAL and NON-SURGICAL METHOD
OF CURE, by RESTORING the CIRCULATION OF THE BLOOD and the ESSENTIAL HEALTH GIVING FLUIDS of the
body. It is NATURE'S WAY, of CURING
all the AILMENTS of MANKIND, ESPECIALLY THOSE that are CLASSED as
CHRONIC and INCURABLE. AILMENTS
that have PASSED BEYOND the REACH
of MEDICINE, ALL OTHER SYSTEMS of
HEALING and the SKILL of YOUR PHYSICIAN, it matters not what school or system
of healing they practice. They yield readily
to the VACUUM TREATMENT, a system
of ENFORCED (Restored) BLOOD CIRCULATION THAT CURES. IT IS NATURE'S
WAY-THE ONLY WAY THAT IS SUCCESSFUL. It is the DESPERATE, INCURABLE (so-called) DISEASES (none excepted),
THAT I AM AFTER. Those YOUR PHYSICIAN (be they Osteopath, Chiropractor, Old.
New, or any other School, it matters not
which) CAN'T or DON'T CURE. It will
cost you nothing to learn your true condition and what your chances are to recover
your health. No Medicine or Dangerous
Surgery that may Snuff Out YOUR LIFE
or something worse, if it were possible. Get
my Booklet. It will inform YOU what the
VACUUM TREATMENT has done to RELIEVE SUFFERING MANKIND after relief
has been DENIED THEM from every other
source. THE VACUUM TREATMENT IS a NON
